Ultimate Sea Cave Kayak Tour Itinerary

Your morning will begin at the Island Packers ferry dock for check-in at 7am (8am departure time) unless you are already camping on the island. You'll want to look for Channel Islands Adventure Company guides just outside of the Island Packers building. Your guide will have your tickets. Detailed driving directions will be sent upon booking in your confirmation email.

The ferry ride is generally 1-1.5 hour(s) depending on wildlife sightings. Meeting time on the island is **9:30am**. We provide a basic paddling instruction/safety talk and distribute all necessary gear before hitting the water around 10:15am.

Afterward we paddle towards the famous Potato Harbor exploring the many incredible sea caves and kelp forests along the way. This area of the Park is typically less visited and more rugged, allowing for a truly breathtaking experience. We'll break for a lunch and a swim on the picturesque beach at Potato Harbor before heading back to the starting point.

Your tour will conclude around 2:30 – 3:00pm. If you're heading back on the ferry you'll have until 3:30 – 4:30pm (your ferry captain or guide will tell you your pick-up time).

CHECK IN TIME

Times vary by day & tour. Please see your confirmation email for the correct check in time. Your check-in time is calculated to allow ample time to park and unload gear at the dock. Island Packers, the charter boat service, will depart on time so your check-in time is important—much like an airplane flight. If meeting your guide at the dock you'll locate your guide in front of the Island Packers building (they will be wearing CIAC gear). They'll have you fill out your paperwork and you'll receive your boarding passes. You'll be disembarking the boat at the first stop, Scorpion Anchorage/Ranch.

HOW TO AVOID SEASICKNESS

- 1) **Rest.** A body that is well rested is better able to handle the stressors associated with traveling.
- 2) **Stability.** Avoid sitting inside in the galley; choose a seat on the lower deck, outside, at the stern of the boat.
- 3) **Sit.** Do not stand. Standing will have your body in a constant state of trying to maintain balance.
- 4) **Focus.** Keep eyes focused on the horizon or on a stationary object that is off in the distance.
- 5) **Don't read.** Reading can trigger a sudden onset of motion sickness.
- 6) **Don't travel on a full or empty stomach.** If you start to feel ill, eat some crackers and a carbonated beverage to settle your stomach.
- 7) **Hydrate.** Dehydration while traveling can aggravate motion sickness. Drink plenty of water.
- 8) **Dramamine or Bonine.** Take an over-the-counter medication for motion sickness or an over-the-counter antihistamine, especially if you are a person that knows they are susceptible to motion sickness. These medications can make you drowsy or cause other side effects so use with caution.
