Itinerary
Your morning will begin at the Island Packers ferry dock for check-in at either 7am or 8am, depending on which ferry departure time you selected (8am departure or 9am departure). You'll want to look for Channel Islands Adventure Company guides just outside of the Island Packers building. Your guide will have your tickets. Detailed driving directions will be sent upon booking in your confirmation email. The ferry ride is generally 1-1.5 hours depending on wildlife sightings. You’ll then meet your guide(s) on the island at either 11:00am or 1:30pm depending on your activity start time.

We will provide a basic snorkeling instruction/safety talk and distribute all necessary gear before hitting the water. We will then begin the guided snorkel excursion along the coast in one direction, exploring giant kelp forests and searching for marine life as you go. The total activity time is about 3 hours. You will then return to the beach and have until the ferry picks you up to explore the island (your ferry captain or guide will tell you your pick-up time).

Camping is available on the island! If you are interested, please visit the park service website for more information.

Before or after your excursion, we recommend enjoying a picnic on the beach, exploring one of the island’s many great trails or relaxing on the beach.

Guided Snorkel Excursion Includes:
- Snorkel & Mask*
- Fins
- 3-piece, 7mm Wetsuit

FERRY CHECK-IN TIME

Times vary by day & activity. Please see your confirmation email for the correct check in time. Your check-in time is calculated to allow ample time to park and unload gear at the dock. Island Packers, the ferry boat service, will depart on time so your check-in time is important—much like an airplane flight. If meeting your guide at the dock, you’ll locate your guide in front of the Island Packers building (they will be wearing CIACo gear). They’ll have you fill out your paperwork and you’ll receive your boarding passes. You'll be disembarking the boat at the first stop, Scorpion Anchorage/Ranch.

HOW TO AVOID SEASICKNESS

- Rest. A body that is well-rested is better able to handle the stressors associated with traveling.
- Stability. Avoid sitting inside in the galley; choose a seat on the lower deck, outside, at the stern of the boat.
- Sit. Do not stand. Standing will have your body in a constant state of trying to maintain balance.
- Focus. Keep eyes focused on the horizon or on a stationary object that is off in the distance.
- Don’t read. Reading can trigger a sudden onset of motion sickness.
- Don’t travel on a full or empty stomach. If you start to feel ill, eat some crackers and a carbonated beverage to settle your stomach.
- Hydrate. Dehydration while traveling can aggravate motion sickness. Drink plenty of water.
- Dramamine or Bonine. Take an over-the-counter medication for motion sickness or an over-the-counter antihistamine, especially if you are a person that knows they are susceptible to motion sickness. These medications can make you drowsy or cause other side effects so use with caution.
